Elegant & Inexpensive

These inexpensive, elegant wedding favours offer you a number of advantages.

* **Inexpensive:** This is, of course, a relative term. A donation of \$1,000 might be termed "inexpensive" if you are inviting 1,000 guests. If you are on a smaller budget, your wedding favor donation could be much less than \$1,000. For a donation to the humane society you still get reasonable wedding favours that are stylish. There is no minimal donation amount. We will work with your budget.

* **Elegant:** Many wedding favors are not truly meaningful. The same amount of money donated to the Humane Society, will give you elegant wedding favours that make a statement. look as though your donation was much, much more.

* **Respect:** Your friends are likely to respect your decision to make a donation in place of giving wedding favors. You may even find that a few, looking forward to their own weddings, will ask how you made the donation.

* **Satisfaction:** You begin your married life knowing that you did something meaningful - showed compassion to animals in need. You will gain a sense of satisfaction from the knowledge that your wedding favors had real value.

How Much to Give

Humane Society donation wedding favours can be purchased for any amount. We will prepare as many wedding favour cards needed. Would you be willing to feed a cat for a year? Would you be able to donate enough to feed one dog from now until your first wedding anniversary? Perhaps you could feed two, three, or four animals. Which ones would you choose?

Let these figures guide you as you choose a wedding favor donation amount. They show how much it would cost to feed different animals for one year. (Figures taken from the ASPCA website.)

- * 1 gold fish - \$20
- * 1 small rat - \$50
- * 1 small bird - \$75
- * 1 guinea pig - \$75
- * 1 rabbit - \$156
- * 1 cat - \$170
- * 1 small dog - \$160
- * 1 medium dog - \$310
- * 1 large dog - \$350

Inexpensive, elegant wedding favors, in the form of a Humane Society donation, can cost as little or as much as you decide to give.

Years from now, when you look back at your wedding, you will be glad that you gave these wedding favors. When you make your donation, and order your

wedding favors, don't forget to order one for your wedding scrapbook.
